

_____ has applied to participate in Leadership Clinton County, a comprehensive program to help people develop their leadership skills, so that they may effectively work to improve their community. Up to 20 people will be selected with:

- Current or potential leadership roles
- Motivation and commitment to serve Clinton County in volunteer, elected or other roles
- A cross section of geographic areas, ages, professions, income levels and ethnic groups

All information you provide will be kept confidential.

In what capacity do you know the applicant and for how long?

What are the applicants primary strengths?

What are the applicants primary weaknesses?

What contribution could the applicant make to his/her community?

How might Clinton County benefit from his/her participation in leadership training?

Please evaluate the applicant in the following areas:

	Poor	Fair	Good	Excellent
Respect by others in workplace and in community				
Ability to communicate				
Ability to work cooperatively				
Potential for growth				
Commitment to community				
Analytical skills				
Leadership skills				
Leadership potential upon training				
Ability to develop and manage teams				
Appreciation for diverse viewpoints				
Conflict resolution				

In what areas could the applicant most improve his/her leadership skills?

Do you have any additional comments?
